Jackson this week has the honor of entertaining one of the highest lawyers of the mountain bar, Hon. Frank A. Hopkins, of Prestonsburg, Ky. He is registered at the Arlington, and is in our city for prosecuting his canvass as candidate for congress from this district. It is the first time the editor of the Hustler met Mr. Hopkins, and he strikes us as a man of extraordinary ability and splendid material for the office to which he aspires. Commanding and attractive in personal appearance and bearing, of fine character, fully abreast with the times, and popular with all the people, he will make a strong race if nominated, and of whom Kentuckians will be proud if elected. Mr. Hopkins will remain in our city several days.—Jackson Hustler.

Bring your job work to this office, and get it done in first-class order.

JUDGE JOHN E. COOPER addressed a large crowd at West Liberty on Monday in the interest of our candidate for governor, Hon. James D. Black, and his honor, Commonwealth's Attorney Redwine, spoke in behalf of Mr. Beckham. Judge Amos Davis, candidate for congress, also addressed the assembly, while Mr. Sanford Bailey, was too courteous to address the people of his opponent's own county, was doing some silent work.

DR. SANFORD BAILEY, of Elliott county, who is a democratic candidate for the nomination for congress from this district, was at the Day House Saturday and Sunday. Personally the only acquaintance we have with Dr. Bailey is that made in his two days' visit here. But the Morgan county Messenger, as far back as March 8th, says of him:

Dr. Sanford Bailey, of Elliott county is announced a candidate for congress to represent this the Tenth Kentucky district. Dr. Bailey was born and attained his manhood in Morgan county. While his father was amply able to give his children a good education, which he did, Sanford while a mere boy conceived the idea of being self supporting, and before he was 15 years old he was teaching in the public schools of Morgan. The proceeds of the schools he applied to securing a medical education, and by the time he was 22 years old he had graduated, and located at Sanday Hook, Elliott county, where he has very successfully practiced for several years. The democrats of Elliott county claim that it is time that one of their citizens should be recognized and offer Dr. Bailey as their candidate for congress. Elliott county is one of the most reliable democratic counties in the district and has always given the democratic ticket a good majority and been extremely modest in asking for office. Dr. Bailey is a sober christian gentleman, and if nominated will be elected, and make the people of this district a representative who will give his whole time and attention to the needs and demands of the district.

MOREHEAD

Selected for New Christian Woman's Missionary School.

A matter of much interest and consequence to the towns of Morehead and Hazel Green has been under discussion by the local and national christian woman's board of missions. It is the disposition of the school supported by that body in Eastern Kentucky, now located by that body at Hazel Green. Last fall the dormitory of the academy was destroyed by fire and when the question of rebuilding was broached residents of Morehead petitioned the board to establish the school at that place, offering as an inducement a cash gift of \$2,500 and all the building stone necessary. The further advantage pointed out was that Morehead was situated on the railroad, and that more mountain people could be reached and the school brought into closer touch with the public if located at Morehead than if it should be permitted to remain at Hazel Green.

The local C. W. B. M. weighed carefully the relative merits of the two places, and upon its recommendation the national board, in session at Indianapolis, accepted the offer of the citizens of Morehead, and directed the local board to proceed at once with the erection of two buildings for school purposes at that place.

The present academic work at Hazel Green will be continued under Prof. W. H. Cord, who has for a number of years had the school in charge. The deed to the property will be in the name of the National Christian Woman's Board of Missions. A minister will also be supported at Hazel Green.—Lexington Herald.

There has been no official action taken by the board to guarantee the statements made in the above, and the school here will be continued with Prof. Cord in charge.

THE HERALD one year, the Courier. Journal one year, and the Farm Journal for five years. All three for \$1.00.

MAN OF THE HOUR

Is Hon. James D. Black, Thinks The Interior-Journal.

Hon. James D. Black is making friends everywhere he speaks and creating the most favorable impression. He is for certain amendments to the election law that experience has shown necessary and for an equal representation of the leading parties at the polls, but thinks, like us, that a return to the viva voce manner of voting is the surest cure of the election evils. Like the good democrat that he is, Mr. Black states in his speeches democratic success is what he desires and that he does not wish even to be considered by his party if his candidacy will imperil the chances of success. It grows more and more apparent each day that Mr. Black is the man of the hour and the one above all others to nominate for governor. His nomination will be worth thousands of votes in the mountains and be as an olive branch extended to all shades of democracy for their support.

For Congress.

Frank Hopkins, of the county of Floyd, has announced for congress in this district. It will be remembered by democrats that for the past three terms Mr. Hopkins has been urged to become a candidate, but each time he has been positive in declining. Such influences have been brought against him at this time that he has yielded to the wishes of the people.

Mr. Hopkins is a sound democrat, a moral and competent man, one whom the people, regardless of party, should delight to honor. He is the people's candidate, pulled away from his business with the demand that he enter the race for them. So it is Mr. Hopkins is before the democracy by urgent demands.—Mt. Sterling Advocate.

The Man.

In our canvass for the most capable and strongest man to succeed Judge James H. Hazelrigg the finger of sober judgment points to Judge James Benton, of Clark county. The judge is a man after my own liking. While he would be glad to be honored with the nomination, it is not with that degree that party should be sacrificed for self. He desires and we want the very strongest man, the best qualified for the position, who can accomplish most for the party.—Mt. Sterling Advocate.

She graduated in a class of seven at Hazel Green academy last year and received the highest honors. In an examination at Jackson last May out of 60 applicants for certificates, she received the highest grade. Last winter she acted as governess in the families of Bud Swango and Judge Center, and rendered satisfaction. The trustees are to be congratulated upon securing her services, and unless we are much mistaken they will never have cause to regret it.

Hon. W. O. Mize on Saturday last traded off his old family horse "Solam," to Thomas Jefferson Bush, of Winchester, for a three year old iron gray, which is likely to prove as faithful a friend and as true as was old Solam. Mr. Mize gave Mr. Bush \$75.00 to boot and everybody thinks he made a good trade, as the young horse he got in the trade is only 3 years old, 15 hands high, sound in wind and limb and perfectly quiet. Mr. Mize said it was like parting with a child to let his old horse go, but the man who got him will treat him right.

During commencement week at the academy the editor of this paper was sick in bed, and in consequence no mention of the exercises at the academy was made. As he did not attend and had no data to go by he could, of course, not do justice in the premises. But a friend has written it up and handed it in, late Tuesday evening, too late for this week. It will appear next week, and we hope this notice will be ample apology for its non appearance at an earlier date.

WHEN HE RETURNS.
BY SAM WILSON.

He said good by, then went away
Across the deep blue main,
And in my heart he left hope's ray
That he'll return again,
And brighter then will be the scene,
The darkest spot will look serene,
How beautiful then will be my dream
When he returns again?

I'll sing for him the sweetest air
From love's own truest strain;
I'll pluck for him the lilies fair
When he returns again.
For in his heart my faith is strong,
And this shall be my noblest song,
I'll love him, yea, a whole life long
When he returns again.

Old Uncle Steve Swango, of the Clifty neighborhood, was on Sunday last united in matrimony with the grass widow of Dr. Steve Swango, who is a nephew of the groom. The bride is a niece of Uncle Steve's wife. This looks like a general mix up, but there is no blood relationship between the bride and groom. Uncle Steve's girls had all married off and feeling lonely, he took unto himself a helpmate to comfort him in his declining years.

THE BEST

Food for Intellectual Thought.

No man can vote intelligently unless he thinks intelligently. In this time of "wars and rumors of wars" the greatest aid to intelligent thinking and the best food for intelligent thought is that newspaper which is greatest and best.

Important political issues are daily growing more important. An intelligent understanding of the policy of a nation or a great political party is something to be desired, and it is the duty of every citizen to thoroughly inform himself upon the leading topics of the day.

THE SEMI-WEEKLY REPUBLIC is the greatest and best of all newspapers. Its telegraphic and cable news service excels that of any other paper. It prints the news fully; not imaginative occurrences, but domestic and world-distant, fully authenticated facts.

The policies of the great political parties are now being formed and the candidate discussed. Now is the time to subscribe for the best medium of keeping in touch with the whole world—THE SEMI-WEEKLY REPUBLIC.

No less worthy of attention is THE REPUBLIC'S Sunday Magazine. It is replete each issue with the best of special articles written by the best of literary talent. Its beautiful half-tone illustrations have already made it famous and their quality and quantity will be preserved.

News features of absorbing attraction are illustrated and enlarged upon in a manner equal to the high priced magazines. Events of current interest are set forth in entertaining style. There is humor in its pages, too, and for the benefit of the ladies the latest Paris fashions are each week exquisitely illustrated and described. THE REPUBLIC'S Sunday Magazine is standard.

The subscription price of THE SEMI-WEEKLY REPUBLIC is \$1.00 per year. THE REPUBLIC'S Sunday Magazine \$1.25 per year. Both papers are now being offered at the low price of \$1.50 for one year. To secure this low rate both must be ordered and paid for at the same time. Address all orders to THE REPUBLIC, St. Louis, Mo.

JUDGE JOHN E. COOPER addressed a large crowd at West Liberty on Monday in the interest of our candidate for governor, Hon. James D. Black, and his honor, Commonwealth's Attorney Redwine, spoke in behalf of Mr. Beckham. Judge Amos Davis, candidate for congress, also addressed the assembly, while Mr. Sanford Bailey, was too courteous to address the people of his opponent's own county, was doing some silent work.

DR. SANFORD BAILEY, of Elliott county, who is a democratic candidate for the nomination for congress from this district, was at the Day House Saturday and Sunday. Personally the only acquaintance we have with Dr. Bailey is that made in his two days' visit here. But the Morgan county Messenger, as far back as March 8th, says of him:

Dr. Sanford Bailey, of Elliott county is announced a candidate for congress to represent this the Tenth Kentucky district. Dr. Bailey was born and attained his manhood in Morgan county. While his father was amply able to give his children a good education, which he did, Sanford while a mere boy conceived the idea of being self supporting, and before he was 15 years old he was teaching in the public schools of Morgan. The proceeds of the schools he applied to securing a medical education, and by the time he was 22 years old he had graduated, and located at Sanday Hook, Elliott county, where he has very successfully practiced for several years. The democrats of Elliott county claim that it is time that one of their citizens should be recognized and offer Dr. Bailey as their candidate for congress. Elliott county is one of the most reliable democratic counties in the district and has always given the democratic ticket a good majority and been extremely modest in asking for office. Dr. Bailey is a sober christian gentleman, and if nominated will be elected, and make the people of this district a representative who will give his whole time and attention to the needs and demands of the district.

MOREHEAD

Selected for New Christian Woman's Missionary School.

A matter of much interest and consequence to the towns of Morehead and Hazel Green has been under discussion by the local and national christian woman's board of missions. It is the disposition of the school supported by that body in Eastern Kentucky, now located by that body at Hazel Green. Last fall the dormitory of the academy was destroyed by fire and when the question of rebuilding was broached residents of Morehead petitioned the board to establish the school at that place, offering as an inducement a cash gift of \$2,500 and all the building stone necessary. The further advantage pointed out was that Morehead was situated on the railroad, and that more mountain people could be reached and the school brought into closer touch with the public if located at Morehead than if it should be permitted to remain at Hazel Green.

The local C. W. B. M. weighed carefully the relative merits of the two places, and upon its recommendation the national board, in session at Indianapolis, accepted the offer of the citizens of Morehead, and directed the local board to proceed at once with the erection of two buildings for school purposes at that place.

The present academic work at Hazel Green will be continued under Prof. W. H. Cord, who has for a number of years had the school in charge. The deed to the property will be in the name of the National Christian Woman's Board of Missions. A minister will also be supported at Hazel Green.—Lexington Herald.

There has been no official action taken by the board to guarantee the statements made in the above, and the school here will be continued with Prof. Cord in charge.

THE HERALD one year, the Courier. Journal one year, and the Farm Journal for five years. All three for \$1.00.

MAN OF THE HOUR

Is Hon. James D. Black, Thinks The Interior-Journal.

Hon. James D. Black is making friends everywhere he speaks and creating the most favorable impression. He is for certain amendments to the election law that experience has shown necessary and for an equal representation of the leading parties at the polls, but thinks, like us, that a return to the viva voce manner of voting is the surest cure of the election evils. Like the good democrat that he is, Mr. Black states in his speeches democratic success is what he desires and that he does not wish even to be considered by his party if his candidacy will imperil the chances of success. It grows more and more apparent each day that Mr. Black is the man of the hour and the one above all others to nominate for governor. His nomination will be worth thousands of votes in the mountains and be as an olive branch extended to all shades of democracy for their support.

For Congress.

Frank Hopkins, of the county of Floyd, has announced for congress in this district. It will be remembered by democrats that for the past three terms Mr. Hopkins has been urged to become a candidate, but each time he has been positive in declining. Such influences have been brought against him at this time that he has yielded to the wishes of the people.

Mr. Hopkins is a sound democrat, a moral and competent man, one whom the people, regardless of party, should delight to honor. He is the people's candidate, pulled away from his business with the demand that he enter the race for them. So it is Mr. Hopkins is before the democracy by urgent demands.—Mt. Sterling Advocate.

The Man.

In our canvass for the most capable and strongest man to succeed Judge James H. Hazelrigg the finger of sober judgment points to Judge James Benton, of Clark county. The judge is a man after my own liking. While he would be glad to be honored with the nomination, it is not with that degree that party should be sacrificed for self. He desires and we want the very strongest man, the best qualified for the position, who can accomplish most for the party.—Mt. Sterling Advocate.

Hon. W. O. Mize on Saturday last traded off his old family horse "Solam," to Thomas Jefferson Bush, of Winchester, for a three year old iron gray, which is likely to prove as faithful a friend and as true as was old Solam. Mr. Mize gave Mr. Bush \$75.00 to boot and everybody thinks he made a good trade, as the young horse he got in the trade is only 3 years old, 15 hands high, sound in wind and limb and perfectly quiet. Mr. Mize said it was like parting with a child to let his old horse go, but the man who got him will treat him right.

During commencement week at the academy the editor of this paper was sick in bed, and in consequence no mention of the exercises at the academy was made. As he did not attend and had no data to go by he could, of course, not do justice in the premises. But a friend has written it up and handed it in, late Tuesday evening, too late for this week. It will appear next week, and we hope this notice will be ample apology for its non appearance at an earlier date.

WHEN HE RETURNS.
BY SAM WILSON.

He said good by, then went away
Across the deep blue main,
And in my heart he left hope's ray
That he'll return again,
And brighter then will be the scene,
The darkest spot will look serene,
How beautiful then will be my dream
When he returns again?

I'll sing for him the sweetest air
From love's own truest strain;
I'll pluck for him the lilies fair
When he returns again.
For in his heart my faith is strong,
And this shall be my noblest song,
I'll love him, yea, a whole life long
When he returns again.

Old Uncle Steve Swango, of the Clifty neighborhood, was on Sunday last united in matrimony with the grass widow of Dr. Steve Swango, who is a nephew of the groom. The bride is a niece of Uncle Steve's wife. This looks like a general mix up, but there is no blood relationship between the bride and groom. Uncle Steve's girls had all married off and feeling lonely, he took unto himself a helpmate to comfort him in his declining years.
